FEATURES OF PINECRAFT OUTDOOR AWNINGS

Innovation At its Best

UP TO 98% UV SHIELD

Blocks up to 98% of harmful UV rays, reduces heat and keeps your outdoor spaces cooler and comfortable.

ADVANCED WATER-REPELLENT TECHNOLOGY

Special water-repellent coating makes water bead and roll off the fabric. Resists moisture, mildew and stains.

ALL-WEATHER WATER RESISTANCE

Designed to withstand changing weather conditions—rain, humidity and outdoor elements with ease.

FAST & PROFESSIONAL INSTALLATION

Engineered for quick and hassle-free installation with a perfect fit for long-lasting performance.

SUPERIOR WEATHER PROTECTION

Protects from sun, light rain and harsh weather while enhancing the style and comfort of your space.

EXPAND YOUR OUTDOOR LIVING

Ideal for homes, balconies, cafés, terraces, hotels, restaurants and commercial spaces.
